DROP IMPACT TESTER – ENSURE PACKAGING STRENGTH BEFORE SHIPPING

Drop Impact Tester by Presto Stantest Pvt. Ltd.

Packaging products often face accidental drops during handling, storage, and transportation. A Drop Impact Tester helps manufacturers evaluate the ability of packaging materials to withstand sudden impacts and drops without damage.

Presto Stantest Pvt. Ltd. offers advanced Drop Impact Testers designed to simulate real-world drop conditions and ensure product safety throughout the supply chain.

APPLICATIONS

Corrugated
Boxes
