FOUNDER VISION STATEMENT

We always orient the motto "business ethics is above all, is the foundation for all decisions" as one of the core business philosophies, not afraid of market changes, always expanding business activities. Our greatest strength is our staff. With the view that "Talent is a valuable asset", we are always dedicated to supporting and training from practical skills to specialized expertise, in order to create the best conditions for employees to develop and shine. We own factories in Bac Ninh and Ho Chi Minh City with a wide distribution system from North to South of Vietnam. Furthermore, we also promote the development of high-end products and ESG sustainable development strategies, aiming at a circular economy. *In 2026, our company will enter its 30th year, but this is not the destination, it is just a milestone on the long journey ahead. We will continue to aim to become a 100-year enterprise, constantly innovating and developing every day.*

Founder / Director

Hoang Nguyen Plastic Manufacturing Co.Ltd

Mrs TRAN THI NGA

WE ARE HOANG NGUYEN PLASTIC

Hoang Nguyen Plastic Manufacturing Company Limited was established in 1996 by Director/Mrs. Tran Thi Nga. Grasping the market well, potential market segments, and completing product quality inspection is both a strength and an inevitable focus that we always cares about and focuses on.

PROCESS & MILESTONES

1989 - 1996

Formation and Development

Model conversion from Plastic Facility to Private Plastic Production Enterprise.

1996 - 2010

Export Oriented

Increase export market share by 30%. Achieve export target to US market.

2010 - 2020

Expanding Production Scale

Converting the model from Private Enterprise to Production Single Member Co., Ltd. Continue to expand the factory 02 hectares in Dai Dong - Hoan Son Industrial Park, Bac Ninh and apply ISO 9001 standard to all business activities.

2020 - Now

Sustainable Development

Expanding business and orienting business development associated with environmental protection.

MARKET AFFIRMATION

Domestic Market

With efforts to innovate and bring a new breeze to products, we are "scoring points" in the hearts of young customers by developing product lines in the high-end segment for cosmetics and food, expanding modern distribution channels (e-commerce), aiming at domestic consumer experiences.

01

Foreign Market

We design models as well as meet the strict quality requirements of international customers. Products are strictly controlled from the production stage to finished packaging.

02

Annual revenue
Comparison Table

OUR RESOURCES

Total area: 2 hectare

Workshop

mold making and repair

Mold making and repair play a key role in the plastics industry production process. Standard molds will determine the productivity and quality of molded products.

At Hoang Nguyen Plastic, we own a modern mechanical workshop with a team of skilled and professional engineers.

Thereby, meeting all requirements from mold and machinery repair to absolutely ensure safe and accurate production progress; to mold manufacturing for plastics production from simple to complex, meeting all design requirements of domestic and foreign customers.

Color Collection

ELEGANT & PROFESSIONAL

Our color palette is carefully curated to bring harmony, depth, and personality to every design. Each shade is chosen based on clarity, richness, and the ability to highlight your space or product. From soft, neutral tones that create a tranquil, cozy atmosphere to bold hues that exude confidence, this collection offers versatility for any style. Whether you're seeking warmth, vibrancy, or purity, these colors are crafted to inspire creativity and enhance visual appeal.

Thank You

We look forward to becoming your trusted partner on your business journey. Together, let's realize sustainable innovation and progress
